

## **CHURCH CO-ORDINATOR COMMITMENT FORM**

**Every** Church Co-ordinator must sign this commitment form. The original copy of this form is to be kept at the Reaching a Generation office.

I have received a copy of the Letter Network Manual or I have accessed the manual on the website. I have read all the guidelines and agree to abide by all the procedures and policies therein.

I commit to join the Letter Network programme and co-ordinate the Letter Network partners at my church. I understand this will require that I receive unsealed letters written by the volunteers at my church to screen so that nothing inappropriate is sent to the learners. Once the letters have been screened I will see that they are mailed to the school site. I agree to this commitment for a two year period. I recognize that the content of the letters are highly confidential and commit to keeping that confidentiality. I also commit to follow up on any questionable content to protect both the child and the partners. I understand that the success of this programme is based on my dedication and commitment to the programme.
